

HEBA LIGHTING TECHNOLOGY

Company Profile

HEBA Lighting Technology Co. Ltd.
شركة هبة لتقنية الإنارة المحدودة

A lighthouse on a rocky shore at sunset. The lighthouse is a tall, cylindrical stone structure with a dark, octagonal lantern room at the top. The lantern room is illuminated from within, casting a warm, yellow glow. The lighthouse has a small, dark door at the base. The sky is a vibrant mix of orange, yellow, and blue, with soft clouds. The sea is visible in the distance, and the foreground shows dark, silhouetted rocks.

LIGHTING YOUR **LIFE**

ABOUT THE COMPANY

Heba Lighting is a company that strives to serve the customers with the best quality lighting products. The company was born from the **BHC company group**.

BHC started off in providing high quality fire fighting and safety equipment with the largest network of branches operating all over Saudi Arabia **since 1988**. Our international representations and associates enable us to excel in delivering the most competitive products and services.

Then from there it expanded into different companies including **Heba lighting Technology Company**.

BHC company group spreads all over the kingdom with Heba's headquarter located in Al-khoubar.

Heba Lighting Technology gets its main supplies from the finest producers with the best design, quality, and durability.

VISION

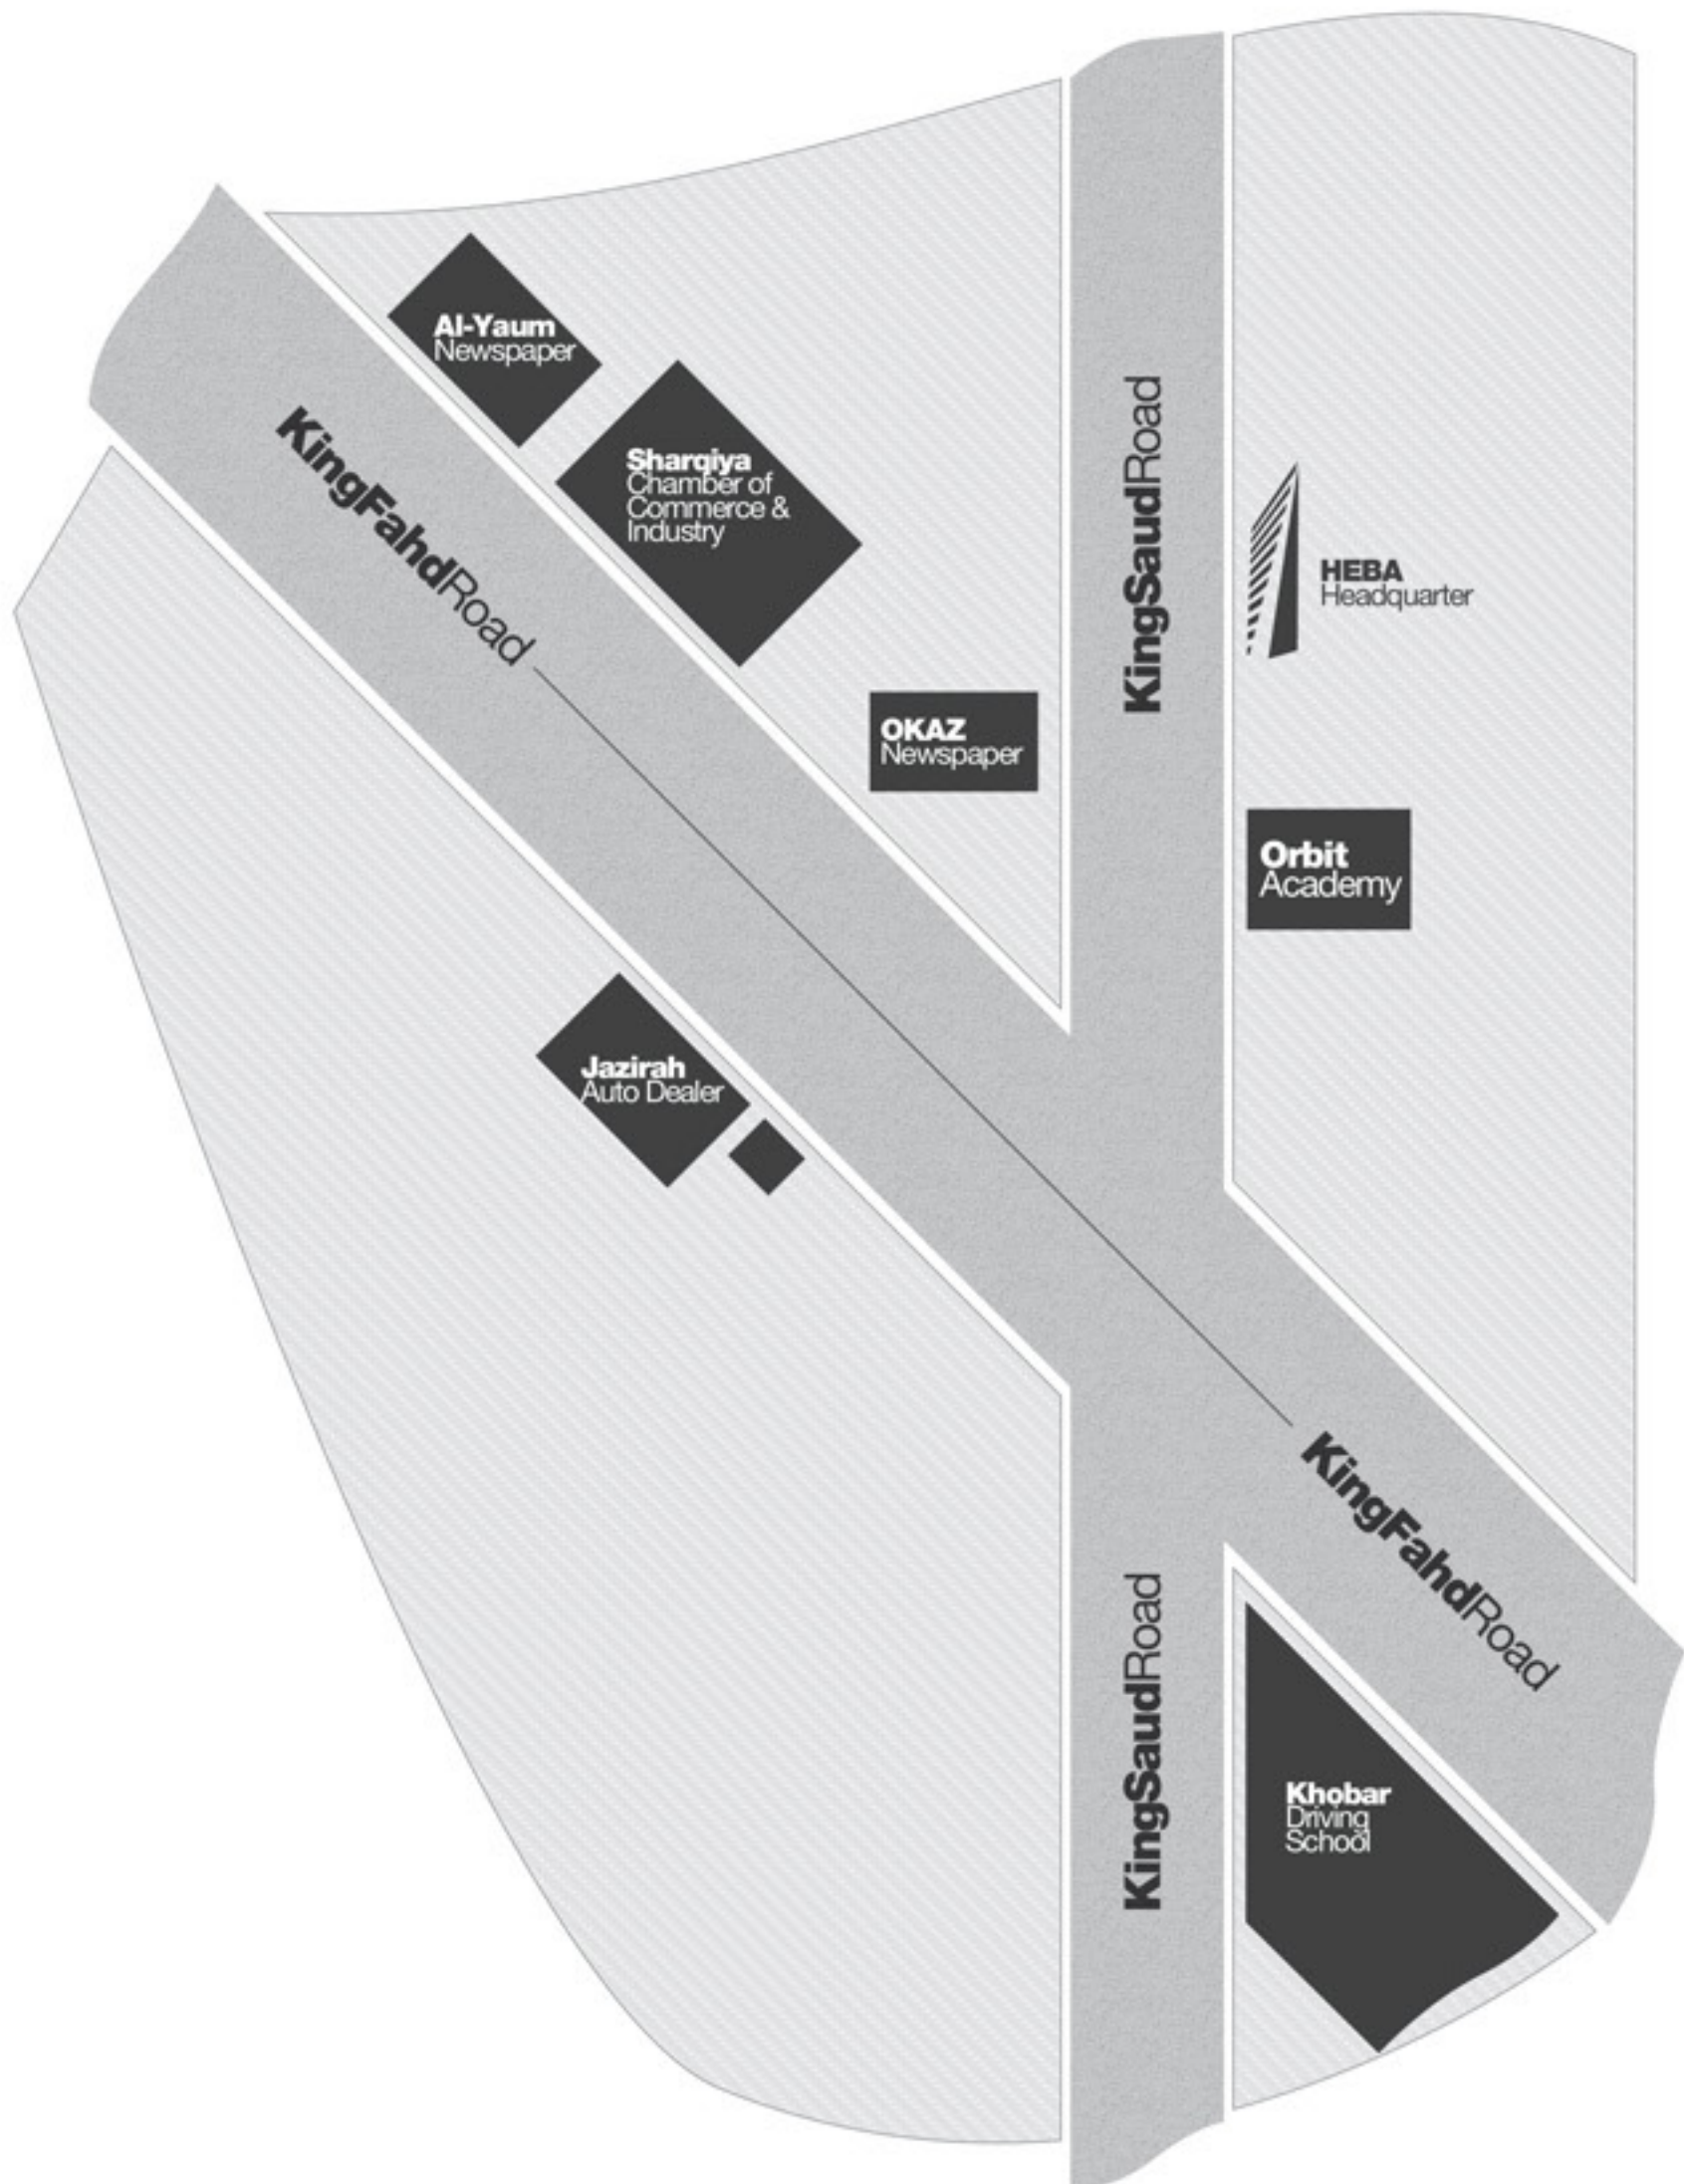

To be the most leading and customer satisfying provider of lighting products and modern equipment in the Saudi market from beginning to end through commitment, innovation, excellence and value creation.

MISSION

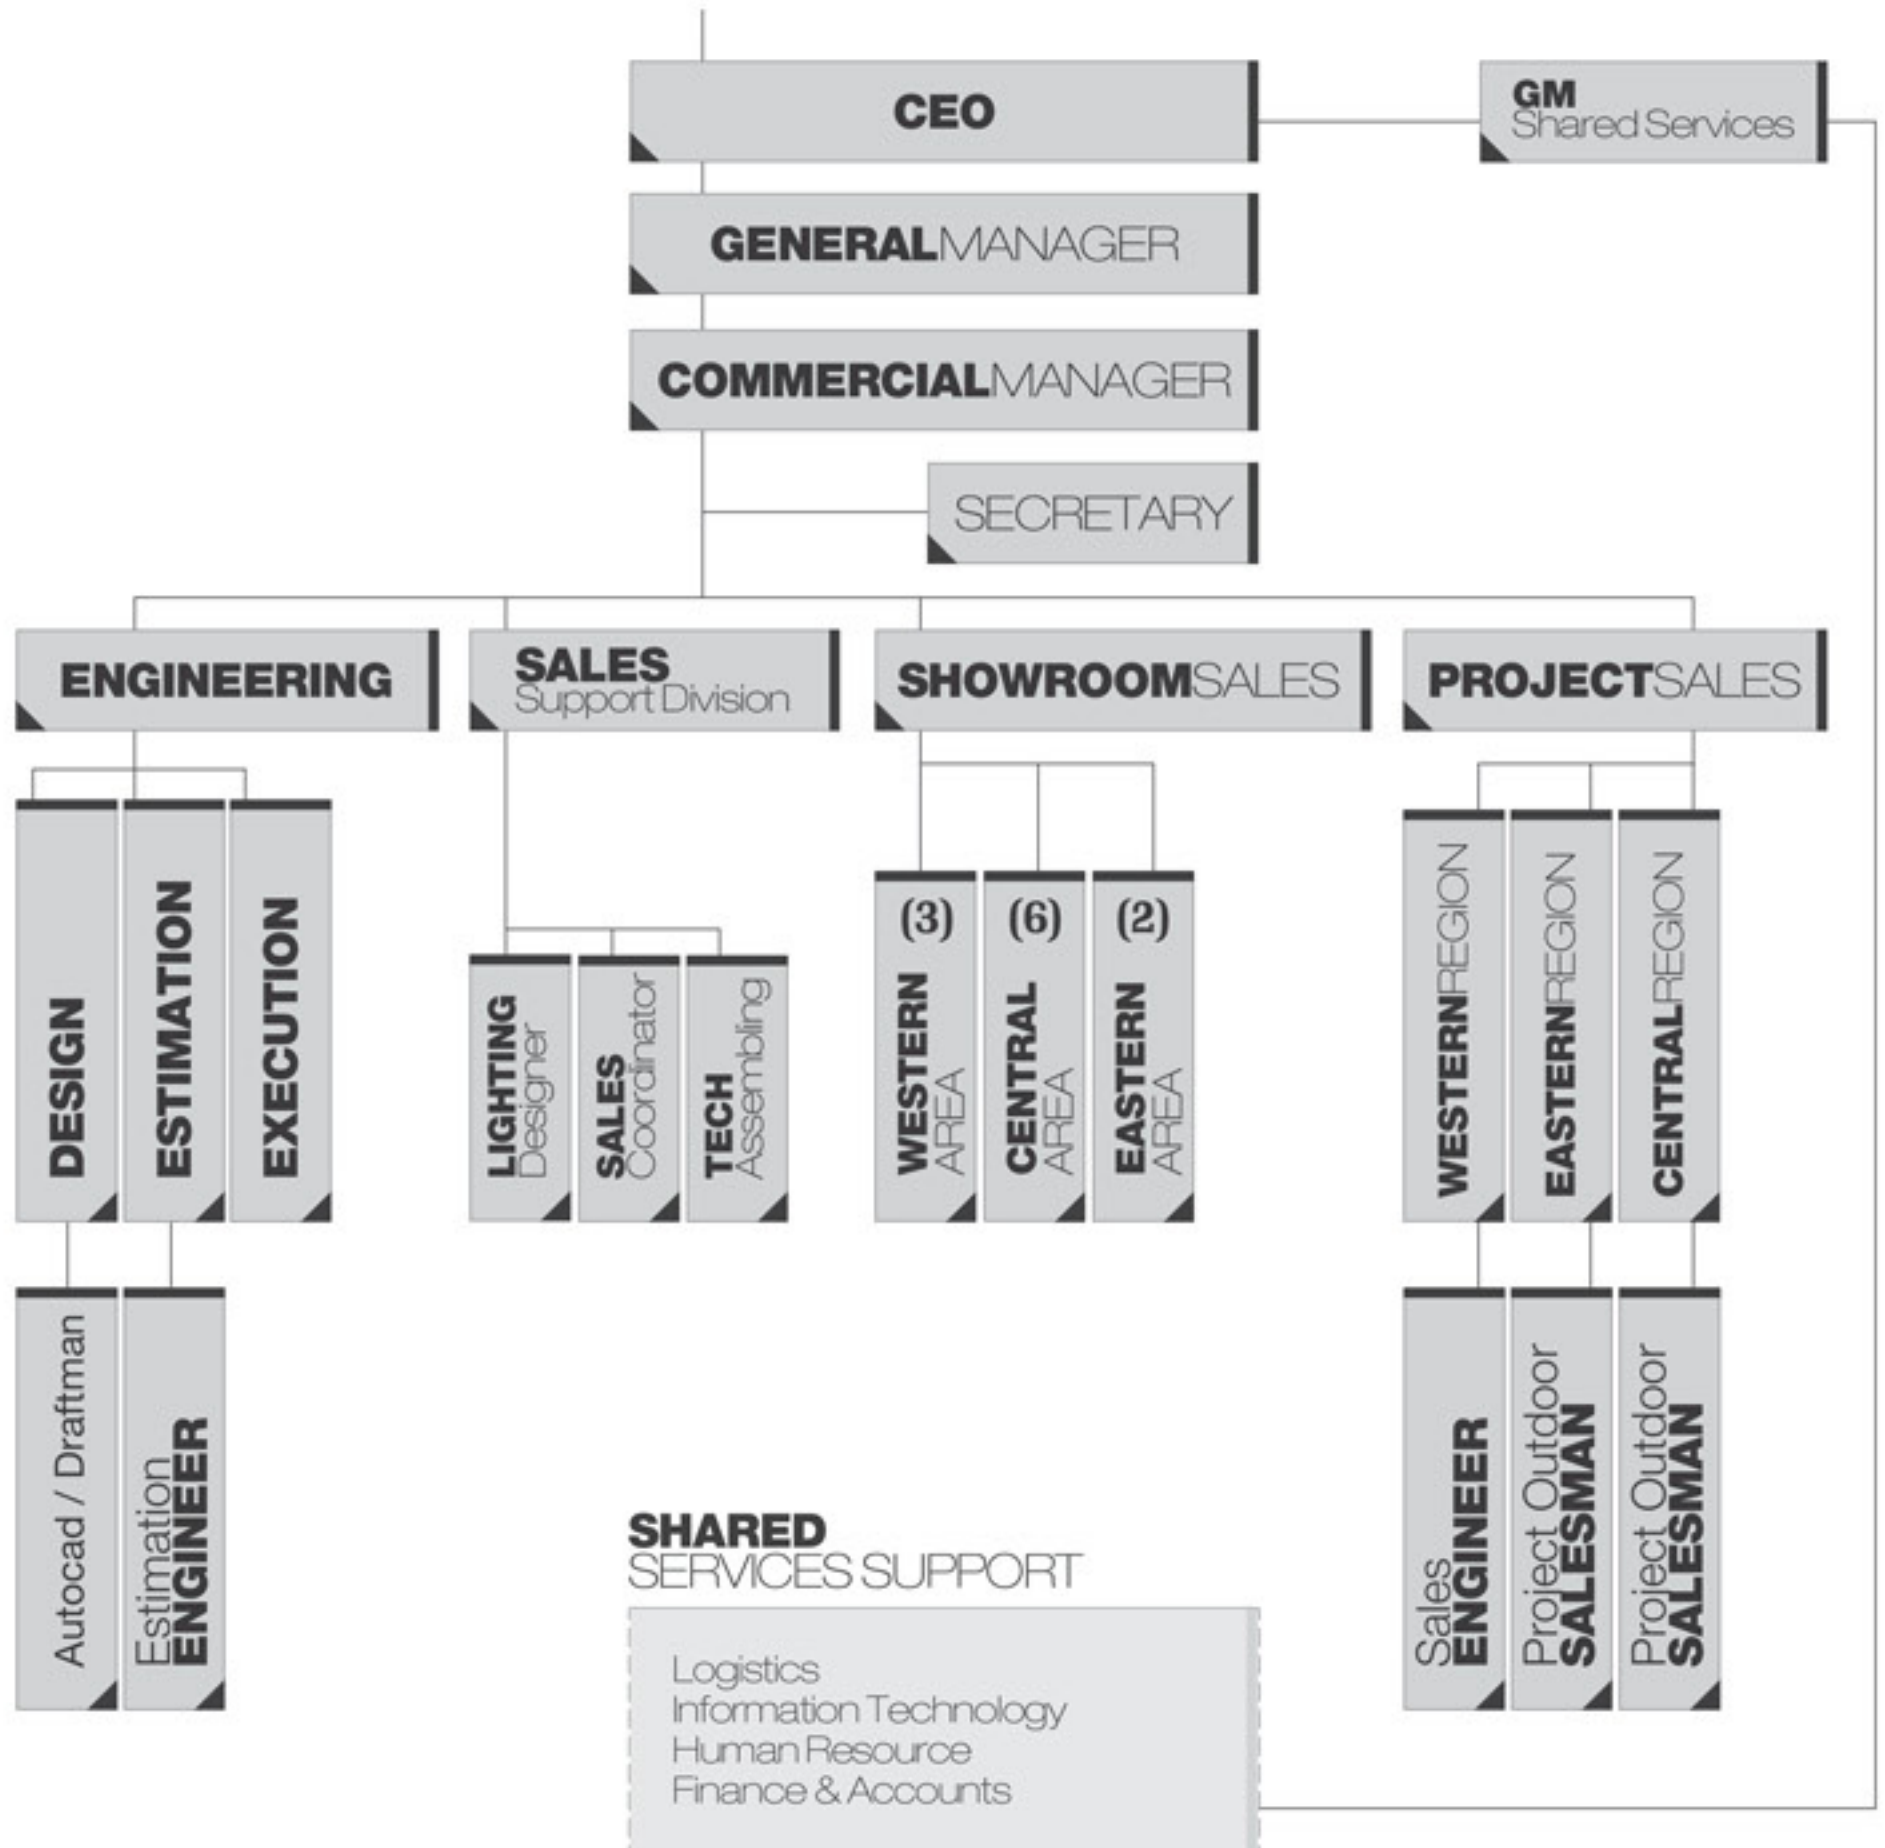

To provide the latest technology and high quality indoor & outdoor lighting comprehensive product range and fixtures in the lighting industry in Saudi Arabia that meets the customer's ever changing needs, through partnering with our clients and suppliers, utilizing experienced workforce while fulfilling our stakeholders aspirations, and providing high quality standards in design, function, and energy saving.
